*A day at THE ANGEL'S NEST is like a day at your favorite Aunt's home. A charming, warm two story home nestled on 2 ½ acres of wooded privacy, "the nest" provides a cozy, inviting environment for reenergizing your body, relaxing your mind, rekindling your relationships, and renewing your spirit. Settle in front of the fireplace, make an appointment for a massage, REIKI or ERT energy session, unwind in our hot tub, meditate, relax in our breezy Florida Room, bake cookies in our country kitchen, enjoy the birds, squirrels and occasional deer while rocking on our shaded porch. Reconnect with yourself & nature in this safe, nurturing environment of peace, balance, harmony & love*

Intimate daytime workshops/retreats of 6-20 participants. (Hotels nearby if needed) Private coaching and group workshops available in: life balance, self-esteem, personal growth, acting/public speaking, assertiveness, grief release, couples relationship communication, spiritual development, stress reduction, and energy healing.
