

Mary Faktor presents

# Venus & Mars <sup>meet</sup> MYERS & BRIGGS

## HAVE YOU EVER FELT:

- *Misunderstood and unappreciated by family, friends, or co-workers?*
- *Aggravated by the apparent indecisiveness of others?*
- *Like the proverbial square peg in a round hole?*
- *Unable to relate/communicate with your children or spouse?*
- *Accused of being “anal-retentive” or “air-headed”?*
- *Irritated the others just can't seem to do it “your way”?*

The Myers-Briggs Type Indicator (MBTI) is a personality instrument, which is backed by 60 years of scientific research. It offers life-changing revelations of how our personalities interact with others. By combining the MBTI with the insights of Dr. John Gray's Mars/Venus teachings, Mary incorporates fun, interactive exercises, leading the audience into a deeper understanding and appreciation of the differences which make us each so unique. Armed with these new insights, business and personal relationships flourish.

As people are better able to understand and relate to each other:

- *Communication and understanding improve*
- *Defense mechanisms are discarded*
- *Conflicts are resolved and teamwork improved*
- *Old hurts are healed*
- *Relationships are renewed*
- *Each person's individual skills and talents gain a new appreciation*
